Congratulations Miss Hill !

Miss Sarah Hill has recently been offered a promoted position with North Yorkshire County Council as PE Consultant. Miss Hill has been a real asset to St Peter's School in many ways and has led many sporting initiatives. Many of us followed her journey at the Beijing Olympics and Miss Hill went on to share this experience to many schools in and around Scarborough. Miss Hill has provided a breadth of sporting opportunities for our children. She assures us that it will not be the last we see of her, as Miss Hill will still be very much involved in supporting our school in sport and we have already requested her time during healthy living week!

Miss Hill will be greatly missed.

The Governors and staff extend their warmest wishes as she takes this next step in her career.

Dates for the diary

Tuesday 9th March

Friday 12th March

Week Beginning 15th March

Monday 15th March

Wednesday 17th March

Thursday 25th March

More than Dance in school. Dance company to work with years 2-5

Key stage 2 to visit Yorkshire Coast College Maths Workshop day.

Science Week

Year 5 parents to meet Mr N Turley & Miss L Donovan

Stations of the Cross 6.30pm at St Josephs' Church

Easter Tea

With reference to the Head Lice' signs around school I have been approached by a parent with information regarding how to get a free Nitty Gritty comb. Follow the link www.nittygritty.co.uk . We have also attached a copy of the letter that you can take to your family doctor.

North Yorkshire County Council's health and safety regulations state that in order to ensure that the children of St Peter's School are safe and that school provides a safe environment, **dogs are not permitted on the school premises.**

Can I ask dog owners to wait with their dogs at the main gate for their children or alternatively secure the dog to the railings and then enter the school grounds.

Attendance – A Reminder

School starts promptly at 8.50am. Can I please ask you to make sure your child arrives in the playground in time to line up with the rest of their class. Only children who arrive late should come into school through the main entrance.

Please make sure you telephone the office before 9.30am, **every time** your child is going to be absent from school. Any absence not reported in this way will be marked as unauthorised and forms part of your child's overall attendance record. The school telephone number is 372720.

Science Week

Preparations are underway for our forthcoming 'Science Week.' In order to raise the profile further of Science and how science is and can be used in our everyday lives, I am making a plea to any parents who are employed in a scientific role and would be willing to share with the children what they actually do. If children can see that science based jobs are interesting, much more of them will pursue such professions in the future and appreciate further the need to understand science. If you feel you may be able to volunteer please see Mrs Finlay.

Staffing

Mr Nicholas Turley will take over the year 5 teaching responsibilities from April. He is working alongside Miss Hill during this spring term getting to know the children and sharing assessments and planning.

The Governing body will interview for a Deputy Head on March 22nd.

Mrs Jessica Pasco is currently delivering 1-1 tuition. This will run until the end of this academic year.

Active Kids Vouchers

We are now collecting Sainsbury's "Active Kids" Vouchers. There is a collection box outside the office for you to place your vouchers please.

Kevin O'Connor School of Irish Dancing
Present

Maths Workshops for Key stage 2

All the children in Key stage 2 have the opportunity to attend the Yorkshire Coast College on Friday 12th March so that they may take part in a number of mathematical workshops.

The parents Association have agreed to fund this educational outing.

May I take the opportunity to say Thank you for this contribution, as it will allow for an extremely fun, challenging and educational experience.

The children will require a packed lunch and will be expected to walk to and from the venue.
