Dear Parents

At St Peter's School we have for many years used the 'Oxford Reading Tree'. This has been very successful, but we wish to continually improve standards in reading, therefore we are looking to purchase a parallel scheme 'Rigby Star'.

We hope that whilst Biff and Chip will remain favourite characters, we can broaden the reading interest for our children. This second scheme is more phonics based and provides a richer variety of texts.

As with many things there is a cost implication, £3000 to implement the full scheme and so I wish to ask the Parents Association for their support. It is hoped that through future fund raising events we will raise the money required.

The Parents Association are planning a relaxing event for ladies (sorry Dads) on **Thursday 27th May from 7.30pm**. Tickets are £5, which includes a glass of wine, entertainment and the opportunity to try many different therapies including Indian Head Massage, manicure, pedicure and much more. Tickets are available from the office or members of the Parents Association.

The money raised for this event will go towards our new reading scheme.

Many thanks for your continued support

Mrs L Finlay
